Everyone is eligible for membership in the Red Cross Club at Elmhurst by paying annual dues to the home room agent at the beginning of the school term. The club sponsors a talent show and a dance to raise funds for service projects throughout the year. This year, the club sponsored a special sock-hop at Christmas time for raising funds to furnish toys for the Christmas Bureau. The Safety Council, selected from the club, attends monthly meetings and promotes safety in the school, home, and car. Posters drawing the students' attention to safety were put in the halls. Also, the Safety Council was responsible for selecting an Elmhurst safe driver every month.

Teaching and teaching alone insures the survival of civilization. It is the most important task in the world.

The F.T.A. was born in 1937 when the National Education Association Representative Assembly approved the formation of "Future Teachers of America" groups. Since then, F.T.A. has grown from one high school club of 72 members to 4,043 high school clubs with 117,691 members and 697 college Student N.E.A. chapters with 43,204 members.

The 40 members in Elmhurst's F.T.A. have been active this year in learning, helping the teachers, and performing much public service.
